ORDER UNDER SECTION 12AB OF THE INCOME-TAX ACT, 1961

1. The applicant is a trust registered by a deed dated 05.01.2022, with the stated objects of education and relief of the poor. It was granted provisional registration u/s 12AB for three years. It filed an application in Form No. 10AB on 12.06.2026 for regular registration u/s 12A(1)(ac)(iii) of the Income-tax Act, 1961 ('the Act').

2. To examine the genuineness of the activities of the trust and its compliance with the requirements of any other law material for achieving its objects, notices were issued on 10.07.2026, 18.08.2026 and 22.09.2026 calling for documents and details. The applicant filed partial replies.

3. On examination of the application and the details furnished, the following deficiencies have been noticed, which are the reasons for rejection:

4. **Reason No. 1 - Genuineness of activities not established**

4.1 The applicant claims to have granted scholarships to students, but has not furnished the list of beneficiaries, the mode of payment or any evidence of the educational activities carried out. Most of the receipts remain unspent in fixed deposits.

5. **Reason No. 2 - Objects for the benefit of a particular community**

5.1 Clause 3(c) of the trust deed restricts the benefits of the trust to the members of a particular religious community. Such an object attracts section 13(1)(b) of the Act, and the applicant has not explained how the condition is met.

6. **Reason No. 3 - Documents not furnished despite notices**

6.1 The applicant did not furnish the certificate of registration under the State public trusts law, the audited accounts for the last two years or the details of donors, despite three notices.

7. In view of the above, I am not satisfied about the genuineness of the activities of the trust or its compliance with the requirements of any other law material for achieving its objects.
